- Exhibitors are responsible for picking up after their own dogs. A clearly marked exercise area will be located near the show barn.
- All dogs present must be on a leash or confined to crates when not being judged, except when in the designated warm-up area.
- Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations. The safety of dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all the obstacles safely.
- Entry fees will not be refunded if a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. - No refunds for duplicate entries. However, care will be taken to find duplicates before processing. Owners are responsible for errors in making out entry forms, and no entry fee will be refunded in the event of such errors.
- Checks that have been returned due to insufficient funds do not constitute a valid entry and will have a \$35.00 service charge attached.
- Bitches in season are not allowed to compete. PCSA will refund entry fees for bitches in season. The Trial Secretary must receive written notification from the owner the day before the trial starts. Refunds will be mailed after the closing of the event.
- PCSA reserves the right to decline entries for cause and may remove any dog on account of aggression, disease, deformity, injury, or illness that may affect the dog's physical or mental performance. No one shall have any recourse or claim against PCSA or any official thereof. All exhibitors should obtain a copy of the Regulations for Agility Trials by downloading them from the American Kennel Club website at <http://www.akc.org/rules/>

PCSA will offer the following:

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers with Weaves be both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering for Exhibition Only (FEO)

For Exhibition Only will be offered at the option of the host club. **FEO is only allowed in the Time 2 Beat and FAST classes.** FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring.
 - Toys must be non-audible.
 - Toys may not leave the handler's hand.
 - Toys that roll freely cannot be used.
- Food/treats are not allowed in the ring.
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

Fix and Go On (FNG)

Fix and Go On will be offered at this trial. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the run.
